Volunteering Takes Place Outside the Walls of MAES & PARR'S Too!

Mt. Airy and Parr's Ridge Elementary Schools realize that a great deal of "volunteering" for the schools takes place outside the walls of MAES/PARR'S. This may include serving on PTA committees, baking cookies for testing time or cutting out items for a teacher. Each year, our school reports to the county Board of Education the many hours the individuals of Mt. Airy and Parr's Ridge Elementary spend volunteering. The volunteer database that you use to sign in at school is utilized to record volunteer hours ***in*** the school. However, we often "loose" the fantastic efforts of those who help from their home. In order to better capture the time many of you spend volunteering for MAES/PARR's ***outside*** the school, please record your volunteering time. Return this sheet to either school anytime during the school year, but no later than the first week of May, 2007. Once a completed sheet is received, the Volunteer Coordinator will add your home volunteering hours to the database. Additional forms are also located at the volunteer computer and on-line at www.MAES-PARRSPTA.org.

Thank You!

Your Name: _____

Date	School (PARR'S or MAES)	Volunteer Activity	Time Spent
