

Dear _____

On September 17th to October 6th I will be taking up the challenge of raising funds for the PARRS-MAES PTA annual fundraiser. This year we are having a **No-Bake Bake Sale!** I WILL NOT sell anything to you, I DO NOT have to pick up or deliver anything, I DO NOT have to handle any merchandise and our PTA gets 100% of my sales. What a DEAL!

The No-Bake Bake Sale will raise vital funds for the PARRS-MAES PTA. Each year our PTA funds the following programs at our school:

- o Teacher requests for classroom supplies and equipment requests: (teacher materials, projectors, digi-blocks math tools, special ed. equipment, replacing broken or unsafe playground equipment)
- o Field trip assistance funding (PTA partially funds all trips to decrease cost per student)
- o Reading incentive program (PTA purchases scholastic books for each student that completes the monthly reading calendar)
- o Music program support
- o PTA fully funds the following programs: Bridge The Gap, Brain Pop, BARE Books and Weekly Readers
- o Cultural Programs
- o Science Fair
- o Summer scholarships and Community support to aid students who occasionally need lunch money assistance

Our fundraising goal is \$50,000. I have set myself a personal fundraising target of \$ _____. I would greatly appreciate your help in reaching this target because without the support of our PTA our favorite school programs will be cut due to lack of funding from our state and district budget cuts.

I have started my fundraising off with a personal donation of \$____. Your donation will bring me closer to my goal and help the PTA reach its overall goal. There are several ways to donate; by cash, a check made payable to PARRS/MAES PTA, or online by visiting our PTA website <http://www.maes-parrspta.org/> and clicking on the link for No-Bake Bake Sale.

Thank you for taking the time to read this letter. As one of my sponsors, I will personally let you know how we do. If you would like any more information on the PARRS-MAES No-Bake Bake Sale, please visit <http://www.maes-parrspta.org/>

Sincerely,
